RE: 2017 OYD Chartering

The Ohio Young Democrats (OYD) are currently accepting chartering applications from local chapters who wish to charter with OYD for the 2017 OYD Convention.

To charter with OYD, each chapter must submit a listing of chapter officers, a listing of chapter members and copy of your chapter's constitution. The membership and chapter officer listing should be submitted using the 2017 Chartering Spreadsheet.

It is required that each member have either a phone number or email address listed. Email is STRONGLY preferred – so that we can make sure your members receive updates from OYD.

Chartering materials and constitutions must be submitted electronically to team@ohioyd.org by 12:00pm on Friday, April 7, 2017. If you submit your materials after the chartering deadline, you will not be eligible to cast votes at the 2017 OYD convention.

The OYD membership secretary and president will review your chartering materials to ensure accuracy (members of voting age (39 and under) and appropriate contact information and will inform you if there are any issues.

At the OYD State Convention on April 22, 2017, each chapter will be allowed one vote per ten members chartered.

If you have any questions, please contact us at team@ohioyd.org.

Thank you!
